
Member Mail

Over the last few weeks, the Chamber of Commerce has received a lot of mail and we would like to share it with you!

Marketing/Communications Committee —

Thank you so much for the donation of \$45.00 to the Stevens County Food Shelf. We appreciate you thinking of us.

LoAnne Jaeck
Co-Director

Chamber of Commerce —

You make a difference in sharing with others. Thanks for donating the bag we used for a door prize for our Legion Convention.

Morris Chamber of Commerce,

The Morris Eagles Club would like to say "Thank You" for the visitor guides and map inserts that were donated for our District 3 Convention. Your willingness to help was greatly appreciated.

Karen & Chamber,

Thank you for the gorgeous flowers & prizes I won at the Chamber After Hours Event at the Regional Fitness Center. I enjoyed them very much! We were able to put the Snap Fitness (one month free) to use with our niece here for the summer (interning). She loves it! We appreciate all you do for the community!

Thanks again,
Lori & Tom Fangmeier

Hi Karen & All,

I don't know whose idea it was to promote pots of flowers along Main Street, but they look great! Just wanted to pass that along. :) I love them.

Hi Karen:

I would like to form a group of interested businesses and/or community members to create a new resident 'Welcome Wagon' - Morris style, in case you know others to send this on to. I certainly would like to follow up on this at future 'Chamber' meetings.

Thanks much,
Wayne Morford

Parade Registration

There is still time to enter a float in the Prairie Pioneer Days Parade. Registrations are available on our website, morrismnchamber.org, click on Prairie Pioneer Days, as well as by contacting the Chamber office at 589-1242.

A detailed list of events for the weekend is also available online.

Crazy Days

The Retail Trade Committee is finalizing plans for Crazy Days, to be held July 29.

Some of the events planned are favorites from past years including: the coin dig, a shopping cart race down Atlantic Avenue, and Water Wars (provided by the Fire Department).

Eric Buchanan and the Plaid Pillagers will be setting up a robot between Thrifty White and McGinnis. They will offer demonstrations to younger children, and let older ones take a turn test driving it.

Work has begun on a logo contest for businesses. Partial logos will be printed in the paper, along with a list of business names. Winners will need to correctly match the names and logos. Any business who supplies a \$25 gift card or certificate can be included in this promotion. Criteria for the winners follows:

- Logos and businesses must be correct
- Need not be present to win
- Only 12 & older may participate
- 1 entry per person
- No purchase or payment required
- Forms will be available at the Chamber booth that day
- We will have as many winners as we have gifts

We are looking forward to a lot of fun and activities that day. Make plans now to be a part of it!

Catholics Feud with Lutherans!

You may have heard the rumors in the community of Catholics feuding with Lutherans, Doctors feuding with Nurses, Teachers feuding with Students and yes..... even Moms feuding with Dads. It's true! Saturday, July 11 at 5:00 pm all of these groups will be feuding at the band shell in East Side Park. The Prairie Pioneer Day Committee presents Family Feud, with our own local contestants. It's free, and it promises to be hilarious when community members face off. Bring a lawn chair and enjoy the entertainment!

Thank You!

The Morris Area Chamber of Commerce—and everyone who has enjoyed the bursts of color-- would like to thank Anderson Acres for providing the beautiful flowers and planters on Atlantic Ave. From left is Susan Baldry, Landscape Designer, Christopher Anderson, Greenhouse Staff, and Jan Anderson, Owner. In their efforts to “Plant Hope”, Jan and Lloyd Anderson have made Morris a much more attractive community!
