What Our Clients Say..

"The employees who attended Eide Bailly's Dale Carnegie training are leading our site's Process Management Teams (PMTs). We have seen cost savings of more than a quarter of a million dollars as a result of our PMT initiatives over the past year. These employees bring out the best in their teams and apply leadership skills which were learned and/or enhanced by the Dale Carnegie training. We are seeing a great return on our investment."

Julie Roehrich, Northrop Grumman Corporation/New Town, ND

The Dale Carnegie Course has transformed the lives of millions of graduates ... and now we want to help you join the ranks of the world's most successful people.

Through a proprietary process that uses team dynamics and intragroup activities, this course will help you master the capabilities demanded in today's tough business environment. You'll learn to strengthen interpersonal relations, to manage stress and to handle fast-changing workplace conditions. You'll be better equipped to perform as a persuasive communicator; creative problem-solver; and focused leader. In addition, you'll develop a take-charge attitude that allows you to perform with confidence and enthusiasm. In short, the course will empower you to move far beyond your comfort zone as you stretch for and attain ambitious new goals.

For more than 90 years, Dale Carnegie Training research has identified the key attributes that distinguish top performers. These attributes have been incorporated into a process that coaches you through a four-phase continuous improvement cycle. The training emphasizes the principles of success and shows you how to put them into action every day. At the end of the program, you'll have a solid foundation on which to build lifelong professional growth and performance improvement.

Measure your training results on the bottom line!
